*Renewing the Mind ... Transforming the World*

## NEW PUBLICATION

We are excited to announce our first new Bible curriculum in several years: *Bible Nuggets from A to Z*. Designed for preschoolers, it is filled with Bible stories, colorful and engaging illustrations, memory verses, and creative activities. Young children and their parents will both enjoy this course.

An accompanying activity book has been created to reinforce a preschooler's understanding of the Bible

stories with fun crafts that utilize appropriate skills such as cutting, pasting, coloring, and tracing.

Available this November, *Bible Nuggets* seeks to help place the truth of God's Word deeply in the hearts and minds of young students. The course consists of a four-color reader and an activity book.
