NEW PRODUCTS

We have just released several new titles. We have completed our two new Bible curriculum series with *Journey Through the Bible: New Testament* and *Bible Treasures: New Testament*. We are also pleased to announce *Standing Firm for Liberty*, a history of Christian Liberty's ministries.

JOURNEY THROUGH THE BIBLE

The strength of the *Journey Through the Bible* series lies in its ability to have students encounter the biblical text firsthand through

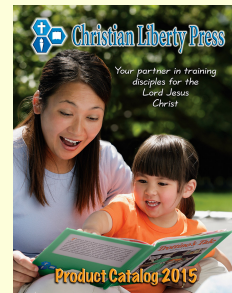

manageable daily readings. The first two courses in the series were released last year and cover the Old Testament for grades 7 and 8. The final course covers the New Testament and is designed for use by 9th graders.

Each course includes a student textbook, a student exercises workbook, an answer key, and a test packet. They are designed for an entire school year and are divided into four units totaling 160 lessons.

The student textbook includes several illustrations, maps, and charts. The lessons include outside Bible reading, as well as commentary within the textbook that helps to bring clarity to that reading. Many lessons also have vocabulary words and/or thought questions. The text is designed to work closely with the accompanying student exercises workbook.

The student exercises workbook includes daily Scripture reading for the school year. It also contains questions for both the Bible and textbook readings. The workbook is designed to work in tandem with the accompanying student textbook.

A separate answer key provides answers to the workbook questions. The test packet includes eight tests and a test key.

BIBLE TREASURES: NEW TESTAMENT

Bible Treasures: New Testament is the last of our early elementary Bible story series based on Catherine Vos's original Bible storybook. It is well illustrated, containing stories, questions, activity exercises, and memorization, using the well-known *First Catechism* material and Scripture passages. Its goal is to help second grade students understand God's wonderful plan of redemption.

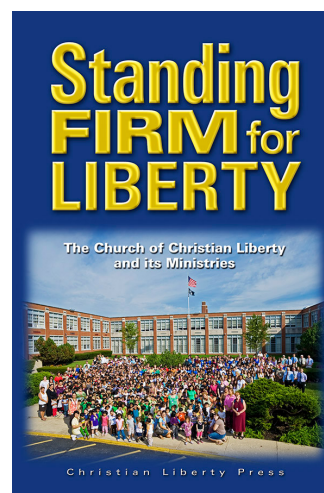

The book is divided into 36 weekly units, with five lessons per unit. At the end of each week, students will be able to actively participate in fun activities that will help them review and remember their lessons, with a cumulative review unit at the end of the text. An answer key is found after the cumulative review.

STANDING FIRM FOR LIBERTY

By God's grace, the Church of Christian Liberty and its various educational services have had a significant impact upon the field of Christian education and homeschooling for nearly fifty years. This book tells the inspiring story of the development and growth of Christian Liberty's ministries, with a particular focus upon the life and legacy of the founding pastor and superintendent of schools, Rev. Paul Lindstrom.

This is a well-illustrated, perfect bound book covering the entire history of Christian Liberty, from its very beginning until now. It is a must read for anyone who has been touched by the ministry of Christian Liberty or is interested in the history of today's Christian education movement.

GOING OUT OF PRINT

As we add our new Bible courses, we are slowly retiring our *Studying God's Word* series. The first two courses in the series—*Studying God's Word Book A* (kindergarten) and *Studying God's Word Book B* (1st grade) are currently out of stock and will not be reprinted. *Studying God's Word Book C* (2nd grade) still has several hundred copies in stock but will not be reprinted once that inventory is exhausted.

In addition, *Tools of Dominion*, a commentary on the book of Exodus by Dr. Gary North, has also gone out of print. It is now unavailable and will not be reprinted except upon special request.
