## The Coronavirus and Christian Liberty Press

This has been a difficult time for us all as the COVID-19 virus has spread around the world. Large numbers of people have gotten sick and over 100,000 have died. As a result, many have had to stay at home. We realize that some of you have had to temporarily shut down business or work from home.

Christian Liberty's homeschool ministries have been able to remain open as an essential business that facilitates distance learning. We continue to process and ship orders to those who purchase from us. We are ready to supply you with the products you need so that you can continue to serve your customers.
