New Updates

Christian Liberty Press has resumed its effort to update its Bible curriculum. We have already released a second edition of *The Book of Job Unfolded* after being newly edited.

We are also working on updating our *Studying God's Word* series with new illustrations and organizing each course into daily lessons that are to be completed over a 36-week schedule. We expect to complete the updates to the

third, fourth, and fifth grade courses in this series this fall. We do not plan to reprint the original *Studying God's Word* workbooks for these three grade levels.

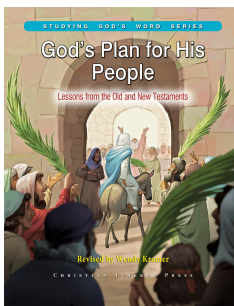

Over the next couple of years, we will also be updating our sixth and seventh grade Bible courses.

LATEST UPDATES

- *The Book of Job Unfolded*, second edition (11th grade to adult): available now

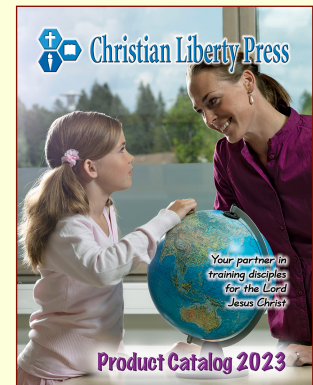

In this reprint of a classic title, Job's life is examined from his days of happiness, to affliction, to discussion with his friends, and finally his personal encounter with the Lord. It ultimately concludes with a discussion of the book of Job in the plan of Holy Scripture. Each chapter closes with a set of questions. A separate answer key is available as a companion to the textbook.

- *God's Plan for His People: Lessons from the Old and New Testaments* (3rd grade): available later in the fall or early winter.

This is the first course in the revised *Studying God's Word* series and is based on the former *Studying God's Word: Book D*. It consists of stories from both the Old and New Testaments. A separate answer key and quiz packet will also be available as companions to the workbook.
