# Introduction

This test packet is provided by Christian Liberty Press to help instructors measure how well their students have understood the material in *Journey Through the Bible: New Testament*. It includes eight tests and a test key. Each test covers twenty lessons and consists of fifty multiple choice questions. Each test should be completed at the end of the respective material being tested, following the test schedule found below.

The test answer key is separated from the tests by a divider. The test key is provided to help instructors to evaluate their students' performance. **Students must not have any direct or indirect access to the test key.** Any student access to the test key invalidates a given test or set of tests as a measure of student performance.

## Before You Begin

Start by removing the tests and test key from this test packet and placing them in a safe location for future use. The test key has been three-hole punched for placement in a notebook for exclusive use by the instructor.

We also encourage you to summarize this introduction to your students before starting the course so that they will be adequately prepared for taking these tests.

## Test Schedule

The tests should be given to students in accordance with the following schedule:

Test Number	Material Covered on the Test *
Test 1	Lessons 1–20; pages 1–26
Test 2	Lessons 21–40; pages 26–51
Test 3	Lessons 41–60; pages 53–72
Test 4	Lessons 61–80; pages 72–98
Test 5	Lessons 81–100; pages 101–127
Test 6	Lessons 101–120; pages 127–155
Test 7	Lessons 121–140; pages 157–186
Test 8	Lessons 141–160; pages 186–228

\* Material tested is also listed on the first page of each test.

## Test Preparation

We strongly encourage students to be thorough in their study of the course material prior to taking a test, and to be diligent and thoughtful when taking the test itself. Prior to taking a test, the student should carefully review the pages covered on the tests, as well as the relevant Scripture passages. He should also make sure to review any key words and concepts found throughout each lesson. Most questions are taken directly from the material, so if the student has been attentive while completing the daily assignments, he should have no problem on the tests.

## Test Completion

When completing the tests, students may not have access to the textbook or to their completed written daily work. Also, they may not make use of the test key. All direct or indirect student access to the test key is a violation of accepted academic principles. Tests that reflect student access to this information cannot be considered to be a true measure of student performance.

---

Thank you for your use of *Journey Through the Bible: New Testament* and its various support materials. May the Lord grant your student a richer understanding of the New Testament and a closer walk with God, in part as a result of work done in this course.
